Dear Parents and Carers,

We are pleased to share that we have introduced a Language of the Month focus at Vauxhall Primary School. Each month, the children will learn about a different language spoken within our school community.

This month, our focus language is Somali. Pupils will be learning about the Somali language and developing an awareness of its importance within our school community through age-appropriate discussions and activities.

This initiative aims to highlight the rich diversity of our school, promote inclusion, and help pupils develop an appreciation and understanding of the many cultures and languages represented among our families.

We warmly encourage parents and carers to support this initiative by talking with your children about languages spoken at home and around the world. If you would like further information or have any questions about how you can support Language of the Month, please contact Ms Darteh.

Thank you for your continued support.

Kind regards,  
Queene Darteh  
EAL and Spanish Lead
