Welcome Back!

This week we welcomed back some of our children from Nursery, Reception, Year 1 and Year 6, as well as children of our Key Workers. Things are looking a little different around school at the moment but it was lovely to see some familiar faces! Any parents in eligible year groups who want to send their child back are reminded to give us 48 hours' notice so that we can make sure we have everything ready for them.

It is very important that your child arrives at the correct start time so that we can keep social distancing measures in place. Make sure you dress for the weather as well as unfortunately there is nowhere suitable to shelter!

Home Learning

For those pupils who are doing their learning at home still, keep up the good work! We have had some lovely pictures sent in of all the activities that you have been doing. Don't forget to have a look at them on the website. If you need to get hold of your child's class teacher you can email them on:
