Coronavirus

If you suspect that you or your child may have the symptoms of coronavirus (new continuous cough, high temperature, loss of smell/taste), or actually have a positive case of coronavirus in your household — do not send your child to school.

Please follow government guidance, get tested and self-isolate for 10 days. If you receive a negative test result before the end of the 10 days, your child may return to school.

Thank you for your continued support.
