## Misinformation about Covid 19 and schools

We are aware that there is some mis-information circling, particularly through social media, which may be causing some anxiety. It can sometimes be very difficult to tell what is accurate or reliable information, and so we want to share with you some details which we hope will reassure you.

If you have any questions or concerns about coronavirus and our school, please contact us to discuss this with us. You may also find this article from the BBC news website useful. <https://www.bbc.co.uk/news/53919867>

Year 2	Mondays and Thursdays

Year 5	Wednesdays and Fridays

Please **send your child in wearing** their PE kit on their PE days.

Thank you for your co-operation in this matter.

## School Vision Screening

Reception class children will automatically be given a vision screening assessment unless you **opt out** by using the form sent home recently.

## Flu Immunisation Forms

**Reminder:** If you have not already returned your Flu Immunisation form please do so.

For the form to be valid, you must sign the form at the bottom of the page.

Thank you for your co-operation.

## Labelling Clothing

Please remember to clearly label all your child's items of clothing with their name and class.

Children often misplace their belongs and it is so much easier to return them to their rightful owner if they are labelled.

Thank you for your co-operation.

## Attendance Cup Award

Well done to **Year 2**. Their class was the best at attending school this week with **(94.74%)** of pupils.
