# Summer Holiday Activities

With only two weeks left of term, it's time to start thinking about the Summer holidays! There are a number of activities taking place all over Lambeth that you might be interested in. All these organisations are working on plans for face to face and group activities in a safe, clean and social distanced way as best possible.

All provisions are expected to be inclusive to children and young people with special educational needs and disabilities. There are limited spaces so we would recommend that you contact providers as soon as possible if you want your child/young person to attend any of these activities.
